## ***Arrival & Departure Times***

All schools are expected to have a representative at the Cadre/Coaches Meeting at Base Camp side (competition side) of the Gerald Lawhorn BSC. The time and location of this brief is detailed on the event schedule. Late breaking information will be discussed, as well as covering final risk assessment, weather items and rule clarifications. ALL competing cadets must ensure they arrive at the park NLT 45 minutes PRIOR to their first scheduled competition start time to ensure you have sufficient time to park, move gear and prepare. Please do not cut your arrival time close to allow sufficient time to get in and get set-up and ready to compete.

Competition will go on throughout the day. All schools are expected to stay for the Awards Ceremony. Failure to remain for the awards ceremony without sufficient cause will be construed as a lack of interest in supporting the event and may preclude invitation of the school in the future. Should a true emergency keep a unit from attending, arrangements will be made to ship trophies, photos, score sheets to your unit, COD. Under no circumstances will scores, etc. be posted or provided to any school before the ceremony.

All schools who camp out will have their camp site inspected and approved for check-out prior to departure after the ceremony. PLEASE ENSURE YOUR CAMPSITE AS WELL AS BATHROOMS, PAVILLIONS and other common areas are cleaner than you found them!

## ***Event Registration***

On Thursday late afternoon, those schools who choose to register in advance of the busy morning ahead may come to the Base Camp Raider HQ Building and go through Raider Early Registration. At Raider Registration, schools will verify all required paperwork and finances are in order, as well as receive all of their competition T-shirts, medallions and competition bands. Time and location are found on the Event Schedule.

Those schools wishing to wait until Friday morning to go through the same registration may do so. This on-site registration will occur at the Base Camp Raider HQ Building the morning of the competition at the time listed on the Event Schedule.

Answers to technical competition related questions should be asked in advance as the answers to these questions often need to go to ALL schools. Therefore we stress that all event questions should be asked in advance via email/telephone whenever possible. The Cadre/Coaches Meeting is not the place to answer routine questions best answered either in advance or by reading this SOP. Because of time, we simply cannot answer questions that are plainly in the regs for the event.

This applies to ALL trash generated - your school's cadets or not! It is important that the Raider Nationals leave the entire facility CLEANER than before we arrived. All trash must be bagged and DEPOSITED in the camp trash facilities prior to departure. Units who do not leave their campsite trash-free will be charged a MINIMUM \$50 cleaning fee.
