OPEN LEVEL COLOR GUARD ONLY – Max 2 entries / \$75 each

TEAM NAME

No single cadet can compete for more than one team. There is no "crossing over" from armed to unarmed or to Open Level CG.

Division I / Masters Level: Highest competition division for those teams who are prepared to compete against the best units in the country. Some of these schools often have former cadets or outside trainers who assist in preparation. Regardless of limitations, these teams compete well in most all events and vie for numerous top finishes.

Division II / Advanced Level: Very competitive division for teams who have a solid history of competing well in their local/area/region meets and can compete well against most all teams. Advanced Level Schools would have historically done very well in the Challenge Division and won several trophies there, or lower finishing Masters Level teams.

Division III / Basic Level: These teams will be somewhat limited in their competition experience. These schools are often from smaller towns and/or have much smaller programs. They do not have a history of winning many/any trophies at regional or national competitions like their service qualifiers/championships or the NHDTC.

The Registration Fee for the school is \$300.00 which covers up to TWO TEAMS. Additional Divisional teams are \$100 each and Open Level Color Guard teams are \$75 each. Solo/Dual entries are available to all full teams. OLCG cadets can enter solo/duals with an additional cost. Every participating cadet must attend by staying in the hotel package plan. You can find more information at: <https://thenationals.net/dt-prices.htm>

Army Schools Only: Do you intend to also participate in the Army Nationals? Yes__ No__

We will enter your registration into the MySchool online system and contact you by email with instructions for how to sign into your account and pay your registration fee.
