

**CERTIFICATE FOR USE PERMISSION  
ARMY NATIONAL DRILL CHAMPIONSHIPS  
SOP/LOI AND/OR EVENT SCORE SHEETS**

**Authorization & Instructions for Use**

Dear Sir:

This cover letter and official request form will provide you the ability to use the SOP & Score sheets currently in use for the Army National Drill Championships. This drill and ceremony competition is widely recognized as the finest Army only drill competition held today. These materials you are seeking are used in scores of competitions annually worldwide. We at SNI are HONORED that you would seek to use materials from our drill & ceremony competition for your event.

**Your permission to use the requested materials in conjunction with a drill competition you are involved within is granted completely for a one-year time frame from the date in which you download these materials.** You may use these materials in whole, in part, and you may modify them to fit your specific needs for your drill competition without limitation. They may NOT be reproduced in whole or in part for any other purpose other than to provide regulations and/or scoresheets for your competition. To renew this usage after the one-year time limit expires, simply re-download this form next year, fill in the information requested, and submit this form back to SNI. By fax (386-274-1255) or by email ([drill@thenationals.net](mailto:drill@thenationals.net)). Please retain the original form as your proof of permission.

In exchange for this permission, we at Sports Network International do require but one item. The following phrase must be placed within the primary SOP/LOI in use for your competition. This can be included into one of the document paragraphs or can “stand-alone” at the very beginning or end of the document in the same type size and positioning as your document maintains currently. The exact placement is your call.

**SNI MESSAGE:**

*“This document maintains copyrighted materials in use  
for the Army National Drill Championships competition.  
Permission has been granted by Event Manager, Sports Network International”  
For event details, training materials or other drill information,  
please contact SNI Competition Director Justin Gates at:  
800-327-9311 / [drill@thenationals.net](mailto:drill@thenationals.net) / <http://drill.thenationals.net>.*

We hope that these materials will assist your drill efforts. Thank you very much for your interest. If we can be of any further assistance, please call me at your convenience.

Sincerely,

**JUSTIN GATES**

Justin Gates  
SNI Competition Director
