*Regarding cadets: The Nationals Drill Camp welcomes drillers of all talent levels, however, keep in mind at its core it is an INTENSE DRILL TRAINING week. NOONE should be nominated to attend without BOTH the motivation and basic skills in place to become a vastly IMPROVED drill & color guard cadet. **Selecting an unmotivated or unprepared cadet can place that cadet and other cadets at risk.** Cadets also must have basic physical conditioning to march multiple sessions a day, as well as the basic understanding of fundamental marching movements often learned within the first months of JROTC cadet training to gain the most from this shortened training week. Further, cadets electing ARMED training must have fundamental weapon handling skills to ensure they are not a danger to themselves or others as we will enhance these skills during camp. (NOTE: Meaning this should NOT be the first time a cadet has ever tried to do anything with a weapon other than march at shoulder arms!) The NDC is a very active camp that starts at 5:30am and ends at 9:00pm every day. There are plenty of breaks throughout, but the days are long. No cell phone usage is allowed by cadets during the training day. All meals at the camp are basic college dining hall menus. We are unable to accommodate anyone with highly restricted dietary needs.*

*Attending Instructors will have classes specifically designed for JROTC drill instructors and will also join in on some cadet classes and practical sessions where the classroom training comes to life. If you are bringing cadets from your school with you, you will not be responsible for their supervision onsite but will have specific meals designated where you can interact with your cadets during the camp. They will report directly to their platoon leader at all times and stay within their designated platoon to maximize their instruction.*

**The cost to attend is \$874 for an instructor – housed one-to-a-room in the dorm.**

**Minimum deposit \$100 to hold a space.**

Final balance must be paid within 30 days of the start of camp.
