

## EMERGENCY CARE DIRECTION FOR THE MARINE CORPS NATIONALS

SNI will maintain a Basic First Aid Station On-Site near the event scoring table. SNI REMINDS EVERYONE that calling 911 is the BEST METHOD to receive true emergency care. This site will have band aids, ice, and can triage more serious issues.

If the injured person can be safely moved, please come to the scoring table first aid area and 911 will be summoned if requested. If not, please send a representative to the scoring table and our on-site medical will come to you to assist you in care.

**ALL TEAMS ARE REMINDED THEY SHOULD KEEP WITH THEM AT ALL TIMES BASIC FIRST AID EQUIPMENT.** Serious but stable injuries may be self-transported by personal vehicles by using the address & map directions below.

**Nearest Emergency Hospital: Mary Washington Hospital**  
**Address: 1001 Sam Perry Blvd, Fredericksburg, Virginia, United States**  
**Phone: (540) 741-1100 - Open 24 hours - [Hospital Website](#)**  
*Hospital is roughly 2.9 miles/8 minutes by car from the competition site.*
