Your Armed or Unarmed team must gain approval to attend. Not every school will gain approval for both teams.

Armed teams will compete in Armed Inspection, Armed Regulation, Color Guard, Armed Team Exhibition.

Unarmed teams will compete in Unarmed Inspection, Unarmed Regulation, Color Guard, Unarmed Team Exhibition.

If a school brings both an Armed and Unarmed team, cadets are not allowed to participate in both divisions. You must have separate Armed cadets from Unarmed cadets, no crossing over between divisions.

Every attending school will maintain a private MySchool account hosted on the servers of Event Manager SNI. Once your MySchool account is set up, you will log-on and electronically sign acceptance forms, enter cadet names and shirt sizes and have the ability to order additional optional items if you choose (*shirts for parents/supporters, individual trophies, etc.*). **There are no required payments of any kind to SNI from schools to attend and participate in the MC JROTC National Drill Championships** (except for any optional extra items).

After creation of the MySchool website for your school, all schools should then go to the online home of the MC JROTC National Drill Championships (<https://thenationals.net/mc-main.htm>) to gain more details to assist in planning for the event. This will maintain competition information such as SOP updates, spectator information, directions and competition start times and related materials as the event draws closer.

We stand ready to assist with any questions at 800-327-9311 or by email at sni@thenationals.net.

SNI will take the information on this form and register your school into the event within the MySchool online system. We will then contact you via email with instructions on how to sign into your private school account and how to use the system.

SNI is always available to assist with any questions or issues with the MySchool account at the phone number and email address listed below.
