

2026 National High School Drill Team Championships

SOLO/DUAL EXHIBITION REGISTRATION INFO

Please follow these instructions to register to attend the NHSDTC as a Solo/Dual Only cadet(s). You can go ahead and make an account in MySchool anytime. And you can email this form whenever it is complete, but we will not start processing forms until January 15th. You will not receive anything from us until after that date.

STEP 1: Go to <https://myschool.thenationals.net> and click on CREATE NEW ACCOUNT – complete your email, chosen password, Rank, First, Last. Enter the name of a cadet that will be performing. List RANK as “Cadet” – this person will be our primary contact for your account. Then click CONTINUE – Complete all of the information requested on this form. Please list your parent or guardian as the Secondary Point of Contact. We do need their email and phone numbers. When you complete the profile information and click SAVE PROFILE in the lower right, it will move you to a page that lists “All Upcoming Events” – DO NOT CLICK ANY EVENT. This is all you need to do in the computer for the moment.

STEP 2: Complete this form and email it to brie@thenationals.net. We will review your application. Not every cadet that applies will be accepted. Make sure you give us all of the requested information to improve your chances of being selected. We will email you either letting you know you didn’t gain a space or with additional information on how to proceed with your registration. This form can be used for a maximum of two people. NOTE: EACH SCHOOL IS LIMITED TO TWO SOLOS AND TWO DUALS. We will not under any circumstances take more than two solos from any school and cadets will not be allowed to register without listing their school.

STEP 3: If you have filled in this form on your computer, SAVE IT TO YOUR COMPUTER with your changes, change the file name to include your last name, and THEN email it to us. If you fill it out by hand, scan it and email both pages. We can accept a photo of the form but make sure it is well lit and legible in the photo.

REGISTRATION FEES: The fees for registration is \$75 for each competition spot. If you are registering for two solos and one dual, the registration fee will be \$225. Each cadet will also pay a \$25 package fee that will give them a t-shirt, event patch, and an event medallion on a chest ribbon.
